

Got Asperger's?

Come join Antelope's ASAP chapter - a social support group for young adults/college age students with Asperger's.

ASAP (Asperger's Support for Adolescents Plus) provides a way to socialize with a minimum of support. We are NOT a therapy group.

We meet regularly to hang out, play board games, eat pizza, watch movies and have fun.

We also schedule outside activities like going to plays, movies and restaurants.

There is no cost involved - this group is FREE.

For information on times, dates and location please contact Sharon@ASAPAspergers.org
